

FINANCIAL RISK ASSESSMENT

Financial year ended 31 March 2026

Introduction

It is not clear that a Parish Meeting is required to carry out a financial risk assessment. However, based on the wording of the internal control objectives within the Annual Internal Audit Report. It is the internal auditor's recommendation that a basis of risk assessment is carried out.

Assets

The Assets Register prepared on 28th February 2024 remains in place all assets have been physically vouched for; however, it should be noted that the speed camera is no longer working.
